*To whom it may concern*

Paton Office Fitouts won the contract for a total refurbishment of ANDRA's Offices (Australian National Drag Racing Association) which is located at 212 Greenhill Road Eastwood.

We were extremely impressed with Ben Paton's attention to technical and design detail as he made several suggestions which were all adopted; this resulted in a far better outcome than we previously had hoped for.

Other tenderers simply submitted their pricing and showed little regard to the areas listed above.

The work which was completed within the agreed upon timeframe is of the highest quality and has far exceeded our expectations.

I have no hesitation in recommending Paton Office Fitouts to any Company wishing to achieve a quality fitout for a realistic price.

I am more than happy to provide you with more details or even show you our offices should it be desired.

Kind regards
